

SUPPORTING VISALIA PAL

Donate to Visalia PAL

The athletic programs and activities of the Visalia Police Activities League (PAL) are made possible only by contributions and grants from generous individuals, foundations, corporations, civic groups and government sources. Your support makes it possible for us to fulfill our mission of reducing juvenile crime by enhancing the bond between "cops & kids."

All contributions are tax-deductible. Visalia PAL is a non-profit organization, identified as a 501(c)3 under the IRS code.

To Make a Cash Donation:

You can do this by writing a check or money order and mailing it to us. Please make it payable to: Visalia Police Activities League or just Visalia PAL.

Other Ways You Can Help:

Fund a Scholarship:

It costs us \$1,600 to provide a full year of safety and support to one child. The majority of youth that we serve are low-income and underserved by other programs and services. Our services are offered free of charge. This is made possible by gifts and grants. A contribution of any amount helps bridge the gap between the experiences most kids expect and what Visalia PAL kids can only hope for without you.

Matching Gifts:

Many companies will match the contributions that you make to an organization. If you make a donation, please let us know if your company has a matching gifts program. If you are not sure, contact your company and/or organization's Human Resources or Community Affairs office.

Corporate Partner:

Visalia PAL welcomes support from companies large and small. By becoming a Corporate Partner your company would receive significant recognition throughout the year.

Thank You!
