RE: New Downtown Website

Downtown Visalia Alliance is excited to announce the launch of a new website this spring. Downtownvisalia.com has been redesigned to feature information on shopping, dining, entertainment, news and more. Easy site navigation and interactive features will keep visitors returning to the site time and time again.

Great things are happening downtown. We invite you to join in the excitement. Submit your photos and short videos of activities that capture the ambiance of downtown in an artistic and innovative way.

Please submit your Jpeg photos and Mpeg-4 videos by March 15, 2010 to: brittany@downtownvisalia.com. Photos must be no larger than 3x5 at 200-300 dpi and videos should be a maximum of three minutes. All approved submissions posted on www.downtownvisalia.com site will allow artistic credit. It is the responsibility of the artist to place a watermark credit on their work prior to submission.

If you have any questions please call (559) 732-7737. We look forward to including your artwork in our galleries.

Sincerely,

Brittany Breviere
Business Development Representative
